

IMPORTANT NOTICE RE COVID-19

If you are attending our office over the coming months we would ask you to put your own, and that of our staff members and their families', health first and stay at home should you feel unwell with flu-like symptoms. If you have visited any of the highrisk areas (such as China, Europe, Iran, South Korea, United States) or have had close contact with someone who has travelled or transited through these areas in the 14 days prior to planning to visit our office or have been in contact with someone that has tested positive for the COVID-19 virus, please refrain from attending.

Any appointments required can be altered to be by phone or web camera such as Facetime, Zoom or Skype.

Our office will now be 'hands-free', meaning that you will be asked to refrain from handshakes while visiting our office. Please take advantage of the alcohol-based hand sanitiser available at our office.

Please note, we will continue to monitor the situation and review our position in accordance with the health advices from the Australian and Queensland Governments.
